One man gladly received a parachute, and jumped.

But the other man thought he could get by in his own strength.

He failed.

One man landed safely.

The other man didn't.

A FOOL

A parachute is a life saving piece of equipment. Can you imagine how fearful it would be to jump from an airplane without a parachute?

But a greater fear, would be for a sinner to jump into eternity as a liar, thief, or a blasphemer, without putting "on the Lord Jesus Christ."

Romans 13:14

Have you ever been deceitful or hateful?

Have you ever acknowledged the judgment your sin deserves?

"For the wages of sin is death."
Romans 6:23
